

Raluca Grigore, MD

Medic Primar Otorinolaringologie (ORL) și Chirurgia Capului și Gâtului
Professor, “Carol Davila” University of Medicine and Pharmacy, Bucharest
Spitalul Clinic Colțea, Bucharest, Romania

Dr. Raluca Grigore is a Consultant ENT specialist and Professor of Otorhinolaryngology and Head and Neck Surgery, with clinical practice based at the Spitalul Clinic Colțea in Bucharest. She is a highly experienced specialist in ENT pathology, with a focus on the diagnosis and surgical management of complex conditions affecting the ear, nose, throat, and head and neck region.

Her clinical expertise includes advanced endoscopic sinus surgery, oncologic ENT surgery, and the management of functional and inflammatory disorders of the upper aerodigestive tract. She works extensively within multidisciplinary teams to ensure comprehensive care for patients with complex ENT and head and neck conditions.

Alongside her clinical practice, Dr. Grigore holds an academic appointment at the “Carol Davila” University of Medicine and Pharmacy in Bucharest, where she is involved in teaching and training future generations of medical specialists in otorhinolaryngology. Her academic and clinical work are closely integrated, supporting the advancement of evidence-based practice and surgical education.

Dr. Grigore’s professional focus is on delivering excellence in ENT and head and neck surgery through clinical leadership, education, and continuous advancement of standards in her field.
