Dr. Johanna L. Janku, MD
Specialist in Gynecology and Obstetrics; Psychosexual Clinician, Switzerland

Dr. Johanna L. Janku is a board-certified gynecologist, certified sex and couples therapist, and founder of **Oh yes baby yes**, a practice dedicated to sexuality, relationships, and pelvic health.

Combining medical expertise with psychosomatic and therapeutic approaches, she supports women, men, and couples across all life stages. Her work spans clinical practice, academia, and corporate settings, where she delivers lectures and workshops on sexual health, relationship culture, and gynecological topics.

Dr. Janku is committed to creating spaces for education and open dialogue, promoting a professional and human-centered approach to sexuality and well-being.
