Professor Carmen Orban, MD, PhD

Senator, the Romanian Parliament

Chair of the Senate Committee on Population and Development

Professor of Anesthesia and Intensive Care

Head of the Intensive Care Clinic University Emergency Hospital of Bucharest

Professor Carmen Orban is a specialist in health management, she led the most difficult state and private hospitals in Romania and was the health advisor to the Prime Minister. Professor Orban is a Professor of Anesthesiology and Intensive Care at the “Carol Davila” University of Medicine and Pharmacy in Bucharest, and she is also Head of the Intensive Care Clinic University Emergency Hospital of Bucharest. She has served as General Manager of the Fundeni Clinical Institute and of the Emergency Clinical Hospital for Plastic, Reconstructive Surgery and Burns in Bucharest, as health advisor to the Prime Minister of Romania, and, since 2024, as a member of the Romanian Senate.

Professor Orban graduated from the "Iuliu Hațieganu" University of Medicine and Pharmacy in Cluj-Napoca. She holds a PhD in medical sciences from "Carol Davila" University and a master's degree in health services management. She completed professional training abroad, including at Cochin Hospital in Paris, France, and at the University Hospital of Wales, United Kingdom.

She has authored books and numerous scientific papers in intensive care and has coordinated major research and infrastructure projects. Her work has been recognised with national distinctions, including the Ministry of Health's "Excellence in Health" award.

Her professional interests include critical care, sepsis, severe burns, transplantation, and hospital and health system management. Through her clinical, academic, and public work, Professor Orban continues to contribute to improving healthcare standards in Romania.
